ABOUT

Seasoned UX Design Leader with over 17 years of experience delivering impactful, user-centered solutions across enterprise, fintech, AI, IoT, and B2C platforms. Expert in building and leading high-performing design teams, driving UX strategy, and aligning design execution with business goals. Proven track record in enhancing product usability, scaling design systems, and embedding design thinking across organizations.

CORE COMPETENCIES

UX Strategy | Design Thinking | UX Research | Cross-functional Leadership | Team Building | AI & IoT UX | Accessibility | Agile UX | Enterprise Design Systems

EXPERIENCE

SENIOR MANAGER - USER EXPERIENCE & DESIGN

Samsung SDS | Apr 2019 – Present

- Drove UX strategy for enterprise AI, IoT, Security, and Cloud platforms aligned with business goals.
- Managed end-to-end planning and execution across complex enterprise programs.
- Simplified complex technical systems into scalable, user-centered workflows.
- Led research and usability validation to inform design decisions.
- Facilitated cross-functional workshops to align stakeholders and accelerate outcomes.
- Provided UX leadership and quality oversight across distributed design teams.
- Contributed to scaling and evolving the enterprise design system.

SOFTWARE SPECIALIST – UI/UX

MapMyIndia | Oct 2018 – Mar 2019

- Communicated effectively with product stakeholders to drive improvements, support new product development, and deliver strategic reports.
- Collaborated with both functional and non-functional teams to ensure seamless implementation of UX specifications across IoT-enabled platforms (Maples, InTouch, School Bus, etc.).
- Directed the creative vision for both new and existing product development across B2B/B2C software, websites, and mobile applications.
- Led and mentored a team of designers, focusing on training & skill development.

MY SKILLS

- UX Design
- Design Thinking
- Client Servicing
- Management
- UX Research
- Vibe Coding
- Generative Ai

FUTURE PLANS

- Service Design Practice
- Coaching to Design Community
- CX Process Practice

HOBBIES

- Playing Video Games
- Fitness Training
- Traveling
- Reading

KEY ACHIVEMENTS

- Samsung SDS quarterly award 2019
- Multiple design awards at International Stage
- Helped streamline creative operations at Exponential
- Set up Creative Quality function at Exponential

DESIGN LEAD-UI/UX

Buddy4Study | Nov 2017 – Sep 2018

- Designed high-fidelity prototypes for Android/iOS and enterprise tools.
- Guided junior designers and ensured quality design delivery.
- Collaborated closely with cross-functional teams to ensure accurate implementation of design specifications within existing frameworks.
- Designed high-fidelity wireframes for student scholarship platforms across Android, iOS, web, and enterprise software.
- Led creative direction for all product design initiatives, including new product development, B2C websites, mobile apps, and social media presence.

DESIGN LEAD-UI/UX

Biz2Credit | Mar 2016 – Jul 2017

- Led collaborative team efforts, contributing to ideation and brainstorming sessions for innovative UX solutions.
- Addressed usability challenges and resolved complex GUI design issues with a strong eye for aesthetics and detail.
- Engaged directly with clients to design loan disbursement applications and white-labeled solutions.
- Delivered end-to-end UI design for lending software across iOS and Android platforms.
- Conducted Design Thinking workshops and led internal team training sessions.
- Mentored junior designers, providing guidance, performance feedback, and skill development.

DESIGN LEAD-UI/UX

Exponential Interactive | Jan 2011 – Mar 2016

- Designed visualizations and wireframes for online digital marketing campaigns and high-performance products, ensuring creative excellence throughout project lifecycles.
- Led end-to-end UI/UX design, from concept to final implementation, across desktop, mobile apps, websites, animations, and ad creatives.
- Maintained close communication with project stakeholders to ensure alignment and timely delivery.
- Conducted quality checks for a team of 15–20 members, ensuring adherence to design standards and best practices.

SR. FLASH DESIGNER

Prosell Field Marketing Pvt Ltd | Apr 2010 – Dec 2010

- Designed interactive Flash campaigns, aligning with brand and performance goals.

GRAPHIC DESIGNER

Manghram Ventures Ltd | Dec 2008 – Dec 2009

- Developed marketing collateral, packaging, and digital creatives across print and web.
